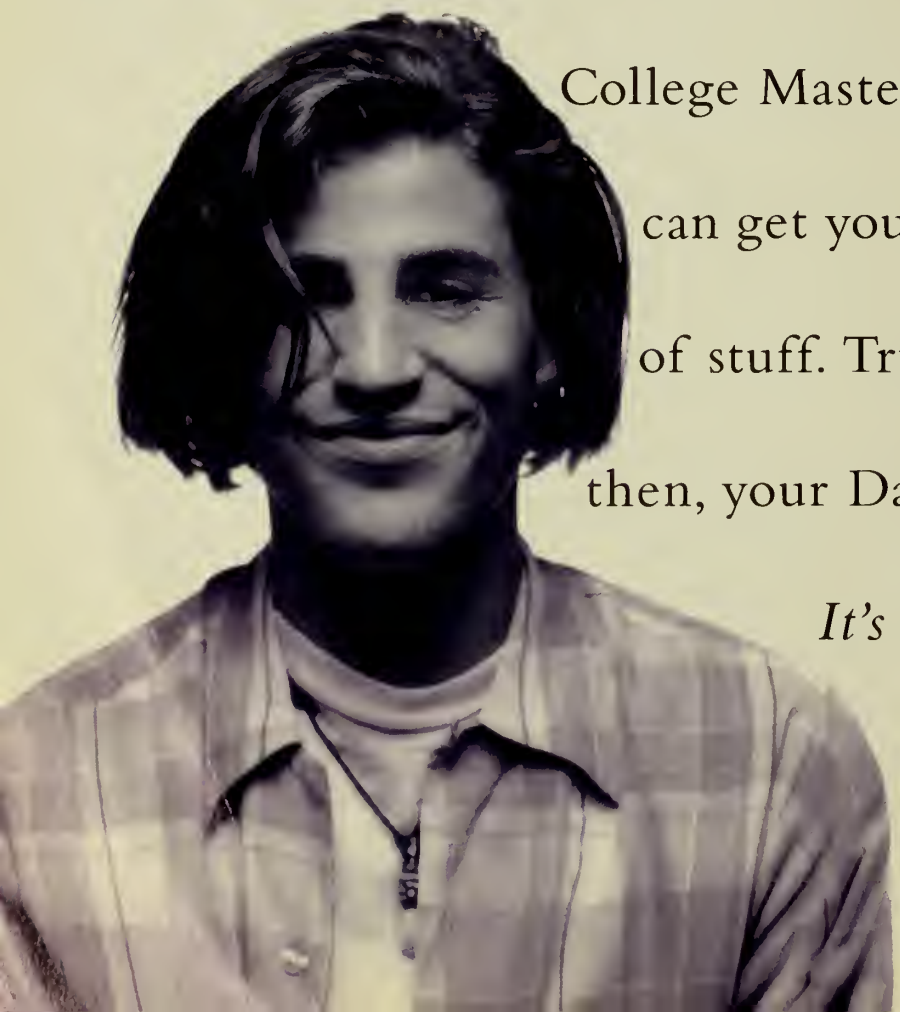
The Only Credit Card Worth Using (Other Than Your Dad's).

Of course, if you really want to have some independence and responsibility for your own life, then it's the only credit card worth using, period.

No card is more accepted on the planet. You can use it to get cash at ATMs all over. And only MasterCard® has the College MasterValues™ program, which can get you up to 40% off all kinds of stuff. True, you get the bill. But then, your Dad doesn't. *MasterCard.*



It's more than a credit card.

It's smart money.™ MasterCard

UNDERGRADUATE STUDENT TOUCH-TONE CONFIRMED REGISTRATION INFORMATION & INSTRUCTIONS

HOW TO REGISTER

All students who are eligible to register for Spring 1994 will receive an *Invitation to Register* in the mail, along with a telephone registration work sheet. Students who have not yet paid their bill at the Bursar's Office or students who have not yet filed an Immunization Form with the Health Services will not be eligible to register until cleared. After paying to the Bursar's Office or filing an Immunization Form with the University Health Services, students MUST reactivate their status at the Office of the Registrar in order to register. If you do not receive an invitation in the mail, you should contact the Office of the Registrar for information.

In order to use the telephone registration system, you must have a **PIN** (**P**ersonal **I**dentification **N**umber). STUDENTS ARE ASSIGNED A NEW **PIN** EACH SEMESTER. THEREFORE, THE **PIN** YOU USED FOR THE PREVIOUS SEMESTER IS NO LONGER VALID. You will need to obtain your **PIN** from your academic advisor or department during the Advising Period. Your **PIN** is your password which, along with your 9-digit student ID number (usually your Social Security Number), will allow you to access the telephone registration system.

WHERE TO RECEIVE REGISTRATION ADVISING:

1) CAS declared majors at their major departments.
2) CAS undeclared majors should go to the University Advising Center, McCormack building 3rd floor, room 625.
3) Management majors at University Advising Center, McCormack building, 3rd Floor, room 625.
4) Nursing majors must make an appointment with their faculty advisor at Science building 3rd floor, College of Nursing faculty offices.
5) Human Performance and Fitness majors at Science building, 3rd floor, room 301-14.
6) Education majors at Undergraduate Education Office, Wheatley building, 2nd floor, room 107.

Important Note:

1) In order to register for the Spring 1994 semester, students MUST CALL IN THEIR COURSE REQUESTS DURING THEIR ASSIGNED ACCESS PERIOD (as printed on their Invitation to Register).
2) *Students who miss their access period and register late will be charged a fifty dollar ($50.00) Late Registration Fee.*
3) Call the system as early as possible within your access period to avoid getting a busy signal and to increase your chances of receiving your primary choices for courses.
4) Registration is on a first call, first serve basis within your assigned access period which is determined by the total number of graduation credits and/or competencies earned.
5) You are allowed to call the system as frequently as necessary within your assigned Access Period.
6) *Registration for a course is subject to seat availability and eligibility restrictions.*
7) After your access period, your last opportunity to add and drop classes for Spring 1994 semester will be the Add/Drop Period, January 31 - February 4, 1994.

BEFORE YOU CALL

Be prepared BEFORE you call. Complete the work sheet on the back of your Invitation to Register by writing down your course selections, your alternate choices and pass/fail selection. The total length of your call cannot exceed 15 minutes. If you are confused, have difficulty, or need more time, you may terminate your call and call back later to complete your request(s). The system will remember what you have done to that point, and you will only need to complete your unfinished request(s).

WHEN TO CALL

You may call only during your assigned Access Period, as printed on your Invitation to Register. The work sheet lists the hours the system is available. If you are unable to call within your Access Period, call the Office of the Registrar, 287-6230, Monday and Wednesday 9:00 a.m. to 6:00 p.m., Tuesday, Thursday, and Friday 9:00 a.m. to 5:00 p.m. for assistance before the end of your Access Period. If you do no call during your assigned Access Period and register late, you will be charged a fifty dollar ($50.00) Late Registration Fee.

IF YOU DON'T HAVE TOUCH-TONE SERVICE

If you are calling from an area which does not yet have touch-tone service, you can still use the system if you have a push-button telephone that has a switch that can be changed from "PULSE" to "TONE". With the switch on PULSE, dial the system. When you hear the welcome message, change the switch to TONE for entering your information.

IF YOU DON'T HAVE A PUSH-BUTTON TELEPHONE

If you don't have access to a push-button telephone, you should use a pay phone. There are public telephones on Campus. If you are unable to locate a telephone to use, come to the Office of the Registrar Monday and Wednesday 9:00 a.m. to 6:00 p.m., Tuesday, Thursday, and Friday 10:00 a.m. to 4:00 p.m. for assistance.

LOST PINS

If you lose or forget your PIN (Personal Identification Number), you may come to the Office of the Registrar with a picture ID to get it replaced. Because your PIN is confidential, we are unable to give you your PIN over the telephone!

SCHEDULE CONFIRMATION

Before the beginning of next semester you will be mailed a copy of your actual course schedule. However, any time during your assigned Access Period you may call the system to confirm your schedule by entering action code '60'. In addition, you may go to the Office of the Registrar with a picture ID and request a printed copy of your schedule if you need one.

CREDIT LIMIT

You may only register for courses up to your maximum semester credit limit. Your credit limit is printed on your Invitation to Register. You may not Register for a credit overload.

WAIT LIST OPTION

If a course you request is filled, you will be offered the opportunity to go on the wait list. If you select this option, please remember the following guidelines. You may not be registered in one section of a course and go on the wait list of another section of the same course. If all sections of a course are filled, you may only select one section of that course to be put on the wait list.

VARIABLE CREDIT

When you register for a variable credit course (such as an Independent Study course), you will be asked to enter the number of credits you wish to register for. The system will tell you the minimum and maximum number of credits available. You must respond with a 2-digit number. For example, if you want to indicate 3 credits, you must enter '03'; to request 12 credits, enter '12'. If you fail to enter a credit amount, the minimum credit value will be assigned.

MULTI-PART COURSES

Some courses have LABS or DISCUSSIONS, as well as LECTURES. *You must add the lecture part of these "multi-part" courses first.* Add LABS or DISCUSSIONS the same way you add the LECTURE portion of a course. If you request the lecture of a multi-part course, the system will say you are missing a lab or discussion. **IMPORTANT NOTE:** If you fail to add any necessary lab or discussion, the system will drop the ENTIRE course from your schedule at the end of the session.

PASS/FAIL REQUESTS

The system will not allow you to request more than one course with a Pass/Fail grading option. (Mandatory Pass/Fail courses are not counted toward this limit.) If you wish to change the course that you want to take Pass/Fail, you would use the action code '80'.

SWAPPING SECTIONS

To SWAP from one section to another section WITHIN THE SAME COURSE, simply add the new section that you want. The old section will automatically be dropped from your schedule.

TIME CONFLICT

If you have registered for two courses that meet at the same time, the system will only warn you. The system will not take any action!

MISTAKE?

If you accidentally enter an incorrect action code, enter '000000' when you are asked for the schedule number and you will be brought back to the prompt to enter an action code. You can then enter your desired action code. The system will tell you if you enter an invalid schedule number, and will give you an opportunity to correct it.

LIST SCHEDULE

Before you end your call, do a LIST (action code '60') to verify that you have entered your requests completely and correctly. The system will read back to you all of the courses you have registered. To end the reading of the list, press any one of the number keys on your telephone. To skip to the next course on the list press the * key.

TERMINATING YOUR CALL

To end your call, enter # #. The system will know you are finished and will perform some overall checking of your schedule and credit total. If you are unexpectedly disconnected during your call, the transactions you entered successfully up to that point will be saved.

PHONE NUMBER & AVAILABILITY

Touch-Tone Registration System phone number is (617) 265 - 2100 and it is available Monday through Thursday 9:00 a.m. to 9:00 p.m., Friday 9:00 a.m. to 4:45 p.m., Sunday 10:00 a.m. to 9:00 p.m..

CPCS REGISTRATION INFORMATION

All CPCS students who are eligible to register will continue using the CPCS registration forms for their Course and Competency registration. CPCS students are not eligible to use the Touch-Tone Registration System. Students who have not yet paid their bill at the Bursar's Office or students who have not yet filed an Immunization Form with the Health Services will not be eligible to register until cleared. After paying to the Bursar's Office or filing an Immunization Form with the University Health Services, students MUST reactivate their status at the Office of the Registrar in order to register.

1) CPCS registration forms can be picked up outside the CPCS Academic Affairs Office, Wheatley building, 4th floor or from the Office of the Registrar. Be sure to obtain both competency and course registration forms.
2) CPCS students should follow the instructions in the CPCS Instructional Activity Book and their Red Book.
3) CPCS students will turn in their forms directly to the Office of the Registrar once they have obtained their instructors' and faculty adviser's signature on the course and competency registration forms.
4) CPCS registration forms are read by machine. This means markings must be completed carefully, i.e., no erasures, stray marks, folds, etc. A #2 pencil must be used.

SEMESTER SCHEDULE BOOKLETS

Please save your schedule booklet until the end of the next semester as you will need to use it for Touch-Tone registration, Add/Drop, and final exam information.

1) The schedule booklet is the list of courses that will be offered in the Spring 1994 semester. Your program for the next semester should be chosen from this booklet, along with the course addendum, which is a list of changes made to the schedule booklet (added sections, canceled courses, etc.). Please do not select courses from the schedule booklet without checking the addendum, as changes may have been made.
2) CPCS students can obtain the CPCS Instructional Activity Book and addendum from CPCS Academic Affairs Office, Wheatley building 4th floor.
3) For a complete listing of all courses offered with descriptions, please use the UNIVERSITY BULLETIN.

IMPORTANT REGISTRATION INFORMATION

Registering and acceptance into a course(s) incurs a financial obligation for that course(s).

Your obligation can only be removed if you withdraw from the University prior to the start of the semester.

Your tuition and fees will be reduced if you:

1) Reduce your course load during the Add/Drop period or
2) Completely withdraw from the University prior to the sixth week of the semester.

You are financially responsible for any registered course(s) remaining on your schedule as of the end of the Add/Drop period, even though you:

1) Completely withdraw from the University after the sixth week of classes or
2) Reduce your course load after the Add/Drop period or
3) Receive a grade "NA" (see below).

Failure to attend classes does not constitute withdrawal. A withdrawal is an administrative procedure, and a withdrawal form must be completed by the student and submitted to the Office of the Registrar. If you have not dropped a course by the end of the Add/Drop deadline, not only will you be liable for the tuition but you will also receive one of three grades. One, the grade of "NA" (not attending) will be given if your instructor takes attendance and submits the grade of "NA" to the Office of the Registrar. Two, if the instructor does not submit an "NA" list and you do not drop or withdraw from the course you will receive the grade of "F". Three, the grade of "W" if you submit the appropriate course withdrawal form to the Office of the Registrar by the published deadline.

EXAMPLE OF COMPLETED TOUCH-TONE WORKSHEET

Before you begin your telephone call, fill in this entire worksheet, making sure to list all courses you wish to register, including laboratory and discussion sections as well as the appropriate "action codes" you will be entering. Be sure that all boxed areas are filled in properly.

Late Fees: $50.00 LATE PAYMENT CHARGE **ON EACH BILLING** for all late bill payment or late bill clearance.
$50.00 charge for all students with a late registration determined by the Registrar.

CANCELLATION AND REFUND OF TUITION AND FEES

Submission of a registration form and acceptance into the course incurs a financial obligation for that course except as follows: A student who completely withdraws from the university before the sixth week of the semester will be granted a percentage refund of tuition and some fees based on refund schedule. (Failure to attend does not constitute a withdrawal.) A withdrawal form must be completed by the student. A student who submits a withdrawal form, prior to the start of the semester at the university, will be given a full refund of tuition and fees. After the add/drop period no refund will be given for course load reductions. Students withdrawing completely from the university during the first five weeks of a semester and receiving grades of "W" for all courses will receive partial refunds. After five weeks no other refunds will be issued if any grades including "W", "NA", or INC. are awarded.

COLLEGE OF MANAGEMENT (CM) — SPRING 1994

REGISTRATION AND ADVISING

A full-time registration for CM students is a maximum of five courses. Registration for more than 15 credits requires permission. Normally such permission is given only when a student's cumulative grade point average is 3.0 or above. To receive permission see an advisor in either the University Advising Center (M/3/625) or in the CM Office of Student Services (M/5/603).

CM students who have over 60 credits and have officially declared a concentration can see an advisor in the CM Office of Student Services (M/5/603) from 8:30 a.m. to 6:00 p.m., Monday through Thursday and from 8:30 a.m. to 5:00 p.m. on Friday. (November 29 - December 3, 1993).

CM students who have less than 60 credits and have not officially declared a concentration can see an advisor in the University Advising Center (M/3/625) from 8:30 a.m. to 6:00 p.m., Monday through Friday and from 8:30 a.m. to 5:00 p.m. on Friday. (November 29 - December 3, 1993).

COURSE SELECTION

Degree requirements are available in both the CM Office of Student Services (M/5/603) and the University Advising Center (M/3/625). Students in the College of Management are expected to complete general education requirements as well as other 100 and 200 level required course work during the first two years of study. All 300 and 400 level CM courses, including Management Core and Concentration requirements, may only be taken after the student attains junior (earned 60 credits) or senior (earned 90 credits) standing and has met all course prerequisites.

INCOMPLETE COURSES

Students who have received an incomplete grade in a course through a prior arrangement with an instructor must go to the original instructor, or in his/her absence to the Department Chair, to make arrangements to complete the course. **Do not reregister for the course.**

PASS/FAIL REGULATIONS

Students in the College of Management may only take elective courses on a pass/fail basis. Required courses in general education, the management foundation, management core and concentration may not be taken pass/fail.

NON-MANAGEMENT STUDENTS IN CM COURSES

Non-management students may only register for AF 210, Financial Accounting, and AF 211, Managerial Accounting, MS 110 Introduction to Computers and Information Systems. Registration in all other College of Management courses is closed to non-management students.

During the Add/Drop period, non-College of Management students are invited to enroll in any other CM courses for which they have met course prerequisites. At least sixty (60) credit hours are required for all 300 and 400 level CM courses. Up to twelve (12) credit hours may be taken in the college as a non-CM student. Contact CM's Office of Student Services for information, prerequisites, and procedures (M/5/603, 287-7760).

HUMAN PERFORMANCE AND FITNESS — SPRING 1994

ADVISING/REGISTRATION PROCEDURES

Faculty will be available in the Human Performance and Fitness office to assist students with course selection during Advance Registration. Majors must make an appointment with a faculty member before registering for courses, between November 1 and November 23.

All Human Performance and Fitness majors must fill out a major registration card each semester. Each faculty advisor will have these cards or they may be picked up in the secretary's office. Please check to see that your name is on the department list of registered majors and you have been assigned to an advisor. This list is posted outside the main office, Science building, 3rd floor.

COURSE SELECTION

Degree requirements are available in the Human Performance and Fitness office. Human Performance and Fitness majors are expected to complete the core curriculum as set forth by the College of Arts and Sciences and are required to demonstrate proficiency in writing as outlined by the College of Arts and Sciences. Further information about the Writing Proficiency Requirement can be obtained from the College's Core Curriculum Office, M/4/603.

UNDERGRADUATE TEACHER CERTIFICATION PROGRAMS — SPRING 1994

REGISTRATION PROCEDURES AND INFORMATION

1. All students accepted into Elementary/Early Childhood teacher certification programs **prior to JUNE 1990**, and who are currently completing the major programs, will receive Registration advising at **W-2-142/5**, from 8:30 am to 5:00 p.m.. Approved students will be registering for Student Teaching.
2. All students accepted into teacher certification programs **after Fall 199**0, and all students in Secondary Education programs, will receive registration advising in their **major departments**.
3. All students attempting to register for Elementary/Early Childhood or Secondary Education courses for the Spring semester must have the approval of the Undergraduate Education Program office, W-2-142/5.

Registration for all undergraduate courses in Elementary/Early Childhood and Secondary education is restricted to students who have been admitted to the program. Information concerning admission to the teacher certification program for students in the College of Arts and Sciences and College of Public and Community Services may be obtained from W-2-142/5, or the University Advising Center.

PASS/FAIL REGULATION

Elementary/Early Childhood and Secondary Education courses may NOT be taken on a Pass/Fail basis.

COLLEGE OF NURSING

All students must make an appointment with their faculty advisor to receive registration advising and their Personal Identification Number (PIN) for Spring 1994 Touch-Tone registration. No PIN will be given over the phone. Students' names and their advisors are posted at College of Nursing Office, Science building, 2nd floor.

SENIORS

All seniors must declare their intent to graduate by submitting a Graduation Declaration Form to the Office of the Registrar.

Deadline dates for submitting graduation declaration form:
For June 1994 ..... December 3, 1993
For September 1994 ..... February 1, 1994
For December 1994 ..... August 5, 1994

Records of students whose filings do not meet the above deadlines will be reviewed **after** those who do, and such students may **not** be listed in the commencement program and/or may experience other delays.

If a student does not complete all requirements by the declared graduation date, then it is the student's responsibility to submit an updated declaration form to the Office of the Registrar to be considered for a new graduation date.

COLLEGE OF ARTS AND SCIENCES GRADUATION REQUIREMENTS

The undergraduate curriculum in the College of Arts and Sciences is divided into three parts: preparation in general education, a major field of study, and electives to complement the breadth and depth of a liberal education. To assure that all students who are graduated from the College of Arts and Sciences have completed a rigorous and coherent course of study, the college has established a series of seven requirements for the Bachelor of Arts (BA) degree. Students in certain fields may receive a Bachelor of Science (BS) degree by completing an eighth requirement.

1. **FRESHMAN WRITING REQUIREMENT**
   CAS students must take a year of Freshman composition (English 101 and English 102) or gain a waiver. Freshman Composition teaches the fundamentals of expository writing and the presentation of research. Expository writing skills are necessary for term papers and written presentation of ideas in all CAS disciplines. Students who place into English 010 on the English Placement Test must complete the composition sequence Eng 010, Eng 101, Eng 102.
2. **THE CORE REQUIREMENT AND**
3. **THE DISTRIBUTION REQUIREMENT**
   To assure that they develop a broad familiarity with the range of human knowledge, CAS students are required to take twelve courses distributed among the following six or seven broadly defined areas:
   I. **The Arts** approach the world through an awareness and use of forms of creative expression such as music, drama, literature, paintings, sculpture and architecture.
   II. **Historical and Cultural Studies** concern the reconstruction and interpretation of the human past and seek to understand both literate and non-literate cultures.
   III. **Philosophical and Humanistic Studies** focus on the analysis of concepts and values, social, ethical, religious and cognitive, and interpret the world through the critical application of such concepts and values to experience.
   IV. **Social and Behavioral Sciences** such as anthropology, economics, psychology, politics, and sociology analyze the world in terms of structures and processes of behavior, of social interaction, and of institutions.
   V. **Natural Sciences** seek an experimental understanding and application of the laws that explain natural phenomena and approach the human world through the study of its natural elements, structures, and processes.
   VI. **Mathematics and Computer Sciences** exhibit self-enclosed symbolic systems whose analytic pleasure and practical uses extend our sense of the nature and processes of human thought and the management of reality.
   VII. **Foreign Languages** provide an understanding of human thought, feeling and culture through a study of the structures, meaning, functions, and development of speech; the study of a language not one's own improves mastery of one's own language and contributes eventually to the understanding of another culture.

For most students the twelve courses will include 5 C Core courses and 7 Distribution courses. Some students, however, are not required to take C courses and will take twelve distribution courses. See the outline below to find out which applies to you.

Core Courses: Students required to take 5 C courses must take three at the 100 level and two at the 200 level.

Core courses are designated by a C in the course number (e.g., Philosophy C108) and are commonly referred-to as C courses. Core courses are specifically designed to introduce students to broad conceptions of knowledge and the skills of writing, critical thinking and quantitative reasoning that are necessary for understanding them. They are introductory in character, but not designed as preparation for a specific discipline or as the basic course in a departmental major. C courses are limited in enrollment in order to provide more intense instruction in academic skills. NO MORE THAN FIVE C COURSES MAY BE COUNTED TOWARD GRADUATION CREDIT.

Distribution Courses: With a few exceptions, all 100-level and 200-level CAS courses of 3 or more credits are assigned to one of the seven core/distribution areas and count toward fulfilling the requirement. These courses contribute to general education through their breadth of knowledge in one of the following ways: they survey a discipline, they offer an interdisciplinary approach to the subject matter, or they use a relatively narrowly defined topic to investigate major themes in an area of study.

The twelve Core/Distribution courses taken as a whole must be distributed in six or seven of the areas. As many as three courses may be counted in only ONE area, with a maximum of two in the other areas. Students beginning a foreign language at the 101 level must pass two semesters of that language in order for them to count in the distribution. It is possible to waive foreign language and mathematics distribution requirements; see section on "Waivers."

Check the entry dates below to find out which version of the Core/Distribution applies to you:

Students who matriculated Fall 88 and thereafter — FRESHMEN OR TRANSFERS WITH 29 OR FEWER CREDITS must include five C courses among the 12 courses: three C100-level courses and two C200-level courses. TRANSFER STUDENTS who enter with 30+ credits are required to fill the distribution requirement. They are not required to take C courses. If they do, they are subject to the limit of three C100 courses and two C200 courses.

Students who matriculated from Fall 85 through Spring 88 — ALL STUDENTS, TRANSFER AND FRESHMEN, are required to include 5 C courses among the 12 distribution courses. Transfer courses assigned to the Arts, Historical/Cultural, Philosophical/Humanistic areas count toward fulfilling the c course requirement. To ascertain which and how many transfer courses were assigned as C core courses students should refer to the Transfer Course Evaluation they received from the Admissions Office when they were accepted or to an "internal" transcript. Upon completion of the C course requirement no more C courses will count toward the 120 credits required for graduation.

Students who matriculated before Fall 85 — These students should see an academic advisor to determine core curriculum requirements.

4. **THE WRITING PROFICIENCY REQUIREMENT**
Both the overall design of the Core Curriculum and the materials and methods of individual core C courses assist students in acquiring critical skills. Foremost among these is the ability to present ideas clearly, correctly and persuasively in English prose. For this reason, the College requires students to demonstration proficiency in writing by either passing a proficiency examination or submitting a satisfactory portfolio of papers before the beginning of the junior year. This requirement holds for all students who entered CAS as freshmen in September 1978 or thereafter and for transfer students who entered CAS in January 1979 or thereafter. Students absent from the College for two or more years and readmitted since Spring 1985 must also pass the requirement. Further information about the Writing Proficiency Requirement is available in the College's Core Curriculum Office (M/4/603).

The Writing Proficiency Examination: The examination is given three times a year (in January, June, and August). Dates are posted in the Core Curriculum Office and in the Mass Media. A student should sign up one month in advance of the scheduled date in order to prepare the assigned materials, which should be picked up when the student signs up for the exam. In order to pass the examination, the student must write an acceptable essay based on a set of readings and a question designed to elicit evidence of thorough understanding of the readings, as well as the ability to synthesize material, use evidence, draw inferences, and construct a well-organized response in good English.

NOTE that the Writing Proficiency Exam is NOT THE SAME AS THE ENGLISH PLACEMENT TEST, which all students take upon entrance to the College.

The Portfolio: The Portfolio is an alternative method of demonstrating writing proficiency. It may be submitted at any of the scheduled exam times and in October and March. It consists of four papers, each at least five typewritten pages in length. Three of these are expository papers, written for courses, and based on reading materials. The instructor's assignment and verification of originality must be included for each of the three course papers. The fourth essay is new one, written on a topic and a series of readings distributed by the Core Curriculum Office.

Inter D 299: Under certain (very specific) conditions, a student who has had repeated difficulties with the Writing Proficiency Exam or Portfolio may take and pass Inter D 299 as a way of satisfying the requirement. Inter D 299 (Proficiency in Analytic Writing) is an intensive writing course in which students analyze and write essays about texts drawn form the areas of natural and social science, and the arts and humanities.

At the end of the course, students submit a portfolio consisting of all the essays completed in the course, as well as an essay in response to the same assignment that all the students submitting a portfolio are addressing. The entire portfolio developed within this course is submitted to a panel of outside readers for assessment, to be judged by the same criteria as are the regular portfolios and exam essays. For more detailed information about Inter D 299, please consult the listing in this bulletin under "Interdisciplinary Courses."

Failure to take and pass the examination or portfolio. Students should ordinarily have met the writing proficiency requirement by the time they have reached 68 credits; any students who have more than 68 credits will receive written notification of their obligation to meet the requirement. Transfer students with more than 68 credits must satisfy the requirement within one semester of their matriculation. Any student who acquires 90 or more credits without having passed the writing proficiency requirement may not continue to make normal progress toward the degree until the requirement has been satisfied. The student will be obliged to plan subsequent study with a team composed of a faculty member from his/her department and a writing skills specialist; a learning contract will be drawn up requiring the student to take AS 044, Inter D 299, or another appropriate course for assistance in meeting the standards for writing proficiency. Ordinarily, a student will carry no more than 6 credits during the semester when the contract is in effect; if at the end of the contract semester the requirement still has not been met, the student will not be permitted to register for further courses until the writing proficiency requirement has been passed, with the exception of AS 044 or Inter D 299, at the instructor's discretion.

5. **THE TOTAL CREDIT REQUIREMENT**
CAS students must acquire a minimum of 120 credits to graduate. A maximum of 4 of the 120 credits may be earned in Academic Skills courses of which only 2 credits may be from Math Skills courses. Credits earned in ESL courses, other than ESL 100D, do not count toward graduation. At least 30 of the 120 credits required for graduation must be earned from the University of Massachusetts-Boston.

6. **THE MAJOR REQUIREMENT**
CAS Students must complete the requirements of one of the majors offered by the college. Major requirements are listed by department in the University Bulletin. In most cases transfer students must complete a minimum of five courses in the major at University of Massachusetts at Boston. Students also have the option of designing an individual major under the supervision of a faculty member. Information on the Individual Major is available from the Academic Support office.

7. **THE GRADE POINT AVERAGE REQUIREMENT**
Students must achieve a minimum cumulative grade point average of 2.0 in order to graduate. Students who do not maintain the minimum cumulative average required for retention are subject to probation, suspension, or dismissal. See the University Bulletin for details. Some major programs also require that students maintain a 2.0 in courses taken toward the major. Consult major departments for more information.

8. **THE BACHELOR OF SCIENCE REQUIREMENTS (OPTIONAL)**
CAS students majoring in biology, chemistry, geography, mathematics and computer science, physics or psychology have the option of earning a Bachelor of Science degree. To qualify for a BS degree a student must, in addition to fulfilling the seven preceding requirements, complete six semester courses outside the major discipline from other sciences. Specific BS degree requirements for each major are listed in the University Bulletin under the major department.

WAIVERS

The Freshman Writing Requirement may be waived. Students should inquire at the Department of English.

Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language will receive a waiver for two Foreign Language courses toward the distribution requirement. Native speakers of languages other than English are encouraged to apply for this waiver. Students granted a waiver in a Foreign Language need take only ten courses toward the distribution requirement. Students receiving a BS degree need only show evidence of elementary proficiency in order to waive these courses.

Students who present evidence through placement scores or transcripts of work in Mathematics equivalent to college calculus (Math 141) will receive a waiver for two Mathematics courses toward the distribution requirement. Students granted a waiver in Mathematics need take only 10 courses toward the distribution requirement.

Students who receive waivers in both Foreign Language and Mathematics need take only 8 courses in the distribution requirement.

There are no waivers for the Writing Proficiency Requirement.

COLLEGE OF ARTS AND SCIENCES COURSE LOAD POLICY

Students may enroll for no more than fifteen (15) credits. After the first semester, however, students may take additional course credits under the following conditions:

A. The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 or above.

B. Written permission is secured from the Associate/Assistant Dean for Academic Studies.

INCOMPLETE POLICY

The grade incomplete (INC) is reported only where a portion of the assigned or required class work, or the final examination, has not been completed because of serious illness, extreme personal circumstances, or scholarly reasons at the request of the instructor. If the student's record is such that s/he would fail the course regardless of the missing work s/he fails.

Permission of the instructor must be obtained and the **Form for Grade Incomplete** must be completed. These forms can be obtained from the appropriate Departmental offices.

A student receiving the grade of "incomplete" is allowed one year in which to complete the course. The new grade must be submitted to the Registrar's Office by the grading deadline for that semester, i.e., by the end of the **next fall** semester for fall incompletes. The grade for any course not completed by this deadline will be converted to the grade of "F," and the student will not be allowed to complete the course.

N/A GRADE

The N/A grade may be placed on a student's transcript if the student has:

- registered for a course, and
- did not attend the course during the Add/Drop period, and failed to drop the course by the published Add/Drop deadline and if faculty take attendance and submit N/A grade roster by designated deadline.

The N/A grade does not affect a student's grade point average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition in which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

PASS/FAIL OPTION

A student may elect one course each semester, up to a maximum of eight in his or her work at the University, to be taken on a Pass/Fail basis. The grade of "P" will be given for a successfully completed Pass/Fail course; it will be included in credit toward graduation, but not in the cumulative quality point average. The grade "F" will count as a failure. To take a course on a Pass/Fail basis, the student must complete a Pass/Fail option card for the course, available at the Office of the Registrar, at the time announced during each semester. A Pass/Fail request cannot be withdrawn after the deadline. Note: each student should carefully check the requirements of his or her college and major department, or professional program, before exercising the Pass/Fail option.

READMISSION

As of October 16, 1989, students applying for readmission to the University will be charged a $5.00 non-refundable application fee. Apply through the Office of the Registrar before November 1 for the Spring Semester and before June 1 for the Fall Semester.

CLASS ATTENDANCE

Students whose names appear on a course roster may be asked to drop the course or be added to the end of the waiting list at the end of the second class session if they have not attended either class or have not communicated their intention of attending the class to the instructor or the department chair in writing. In the case of a class that meets only once a week, failure to attend or to communicate the intention to attend either to the instructor or department chair by the beginning of the second meeting will result in the same action.

MANAGEMENT MINOR FOR CAS STUDENTS

The College sponsors a minor in management in collaboration with the College of Management. Prerequisites include Econ 101, Econ 102, Math 110, Statistics, the completion of 45 credits, a grade point average of at least 2.75 and completion of prerequisite courses with a B- or better. More information and application forms are available in the CAS Office of Academic Support Programs. Application Deadline is March 1 for the Fall Semester and November 1 for the Spring Semester.

RESIDENCY RECLASSIFICATION

Appeal of Out-of-State Residency Billing Status must be filed no later than the last day of the Add/Drop Period. Appeals must be filed on the appropriate form with the Admissions Office, located in the Quinn Administration Building, first floor.

COURSE REPETITION POLICY

The Faculty Council and the Chancellor have approved a new course repetition policy. This policy was effective Summer, 1988.

These are the highlights of the policy that you should know about:

- you may repeat any course regardless of the grade you earned in the course (previously you could repeat a course only if you got a grade of "F").
- you may repeat a course only once (previously you could repeat a course as many times as it took to remove a grade of "F").
- you may choose to exercise the option of repeating courses only four times in your undergraduate career.
- if you choose to repeat a course, both grades for the course will be posted on your transcript but only the second grade will be counted toward your G.P.A.

Do you have any questions about this new policy? We bet you do! Here are some of the most commonly asked questions we've encountered so far. If you have any questions we don't answer below, call the Office of the Registrar at 287-6200 or stop by the office located in the Administration Building, 1st Floor.

Q: I've taken Spanish 101 and 102. Can I repeat Spanish 101 for a better grade?
A: No. Courses that are offered in sequence cannot be repeated out of sequence.

Q: I've withdrawn from a course. If I retake this course will it count as one of the four times I am allowed to repeat courses?
A: No.

Q: I've already repeated four courses in my career at UMass/Boston. I have to repeat another course to get into my major. What can I do?
A: Exceptions to the new course repetition policy can only be granted by the *Committee of the college that is offering the course you want to repeat.* You must check with that college's committee.

Q: What happens if I repeat a fifth course?
A: That course will not appear on your transcript. Nor will you receive credit for it toward your graduation.

Q: Should I inform someone if I want to repeat a course?
A: Definitely! You should always check with your advisor before repeating a course. In addition, **after** you repeat the course, you must fill out a Course Repeat Card in the Office of the Registrar, Administration Building, 1st Floor.

HELPFUL HINTS

1. Always keep your receipts (registration, pass/fail, withdrawal, etc) to help resolve potential errors.

2. Be aware of deadline dates (ex. add/drop period, course withdrawal, pass/fail and registration). The semester calendar is on the first page. Failure to comply with appropriate deadlines can result in severe academic or administrative penalties.

3. Drop or withdraw from courses by the appropriate deadlines. If you are registered for the course, you are responsible for dropping or withdrawing from it whether you attend the class or not. If the professor crosses your name off the class list, you must still drop or withdraw from the course through the Office of the Registrar.

4. Expect a schedule confirmation of courses for which you registered about three weeks into the semester. If you don't receive one, check with the Office of the Registrar.

5. Expect a bill for the amount of credits for which you registered. Review the bill carefully. Make sure you are billed for the appropriate number of credits. If you do not receive a bill check with the Bursar's Office.

6. Keep your address up to date in the Office of the Registrar. This is our best means of communication.

7. Keep your schedule books and/or schedule confirmation. You will need the course and section number for Final Exam period and room assignments, as well as Touch-Tone Registration and/or Add/Drop.

ADD/DROP PERIOD INSTRUCTIONS

DATES	
Add/Drop Period	January 31 - February 4, 1994
Return forms to the Office of the Registrar, January 31 - February 4, 1994 Monday-Thursday 8:30a.m.-8:00p.m., Friday, 8:30a.m.-5:00p.m.	

INSTRUCTIONS FOR ADDING AND DROPPING COURSES DURING THE ADD/DROP PERIOD, JANUARY 31 - FEBRUARY 4, 1994	
Pick up the Add/Drop Form in the Office of the Registrar.	
Add	You should attend the course you wish to be admitted to and speak to the instructor. If the instructor is willing to admit you to the course, have him/her sign the Add/Drop Form in the Add section in the area marked "Approval." Fill out the schedule number and the name of the course and return the form to the Office of the Registrar by February 4, 1994.
Drop	The procedure is the same as adding a course. The instructor whose course you are dropping must sign in the Drop section under "Approval." Fill out the schedule number and the name of the course and retum the form to the Office of the Registrar by February 4, 1994. Following this procedure will prevent you from being charged for the course and receiving a grade of "F."
ALL FORMS MUST BE RETURNED TO THE OFFICE OF THE REGISTRAR WITH ALL THE NECESSARY SIGNATURES BY FEBRUARY 4, 1994 TO COMPLETE YOUR CHANGE IN REGISTRATION.	

IMPORTANT REMINDERS
You will be given a two part Add/Drop Form. The bottom copy will be your receipt for all Add/Drop transactions. Please keep your copy in case there are any discrepancies with your final schedule.
Remember that any course that you registered for during your assigned Access Period or any course added during the Add/Drop period is your responsibility. If you do not intend to take a course you must drop it by February 4, 1994; otherwise, you will have to officially withdraw from the course by April 2, 1994 to receive a "W" in which case you will be charged the complete tuition for the course. Failure to complete either of these steps will result in the grade of "F." Please follow the deadlines and keep a receipt of your transactions. You are financially accountable for all courses not dropped by February 4, 1994.

6. A completed departmental major
7. A 2.0 cumulative average minimum

TRANSFER STUDENTS (entering with 30 or more credits) FALL 1988 AND THEREAFTER

CAS Core Curriculum/Distribution Requirement

Students entering the College of Arts and Sciences with **more than** 30 credits are not required to take any Core course (C courses). They need only meet the distribution requirement of 12 courses in at least six of the seven distribution areas. Prior course work, evaluated by Admissions, may meet some or all of the distribution requirement. If prior work does not meet the full requirement students will complete it with UMB 100 or 200 level courses assigned to a distribution area. While **not required** to take "C Core" courses, transfer students may take three and only three C100 level courses and two and only two C200 level courses. C courses taken beyond this limit will not count for graduation credit.

Directions: Enter courses in boxes above with up to three in only one Area. Note elementary foreign language (101) must be followed by second semester (102) to satisfy distribution in area F.

THE NEXT WRITING PROFICIENCY EXAMINATION FOR COLLEGE OF ARTS AND SCIENCES AND COLLEGE OF NURSING

WILL BE DURING THE FIRST WEEK OF JANUARY, 1994. (EXACT DATE TO BE ANNOUNCED)

Registration and Reading Materials will be available in the CAS Core Curriculum Office, M/4/603, from December 3 through December 31, 1993.

DISTRIBUTION COURSES BY DEPARTMENT

Each distribution area lists departments that may offer specific courses in that area. To determine which courses are offered this semester, please consult the department offerings in the schedule book, where the distribution area is indicated for each course. For example, if you are interested in a Women's Studies course in the Arts area, see the Women's Studies section in the schedule book to find out what course(s) are offered this semester in the Arts area (A). Note: many departments offer courses in more than one distribution area.

INTRODUCTORY COMPUTER WORKSHOPS FOR STUDENTS

The workshops listed below will be offered during the first five weeks of the Spring semester, beginning approximately February 1 through March 5, and are presented by Computing Services staff members. The workshops are open to students, faculty and staff on a first-come, first-served basis.

Workshop Sign-Up and Descriptions

Workshop Sign-up sheets are posted in the Healey Library - Upper Level, room 029. Users may begin to sign up for workshops on the first day of the Spring 1994 semester.

Introduction the the VAX - includes logging on to the VAX computer system; creating, naming, copying and editing files; compiling, linking, running a program; using electronic mail utility.
Prerequisite: *VAX User Account*

VAX Editor - covers the use of the VAX Editor.
Prerequisite: *VAX User Account; knowledge of topics covered in VAX Logon workshop.*

Introduction to the PC - covers use of the local area network; components of the PC, including CPU, monitor, keyboard and disk drives; care and use of diskettes; file-naming conventions; basic DOS commands; formatting and copying diskettes.

Introduction to WordPerfect on the PC - covers creating, naming, saving, retrieving, editing, basic formatting, and printing a document in WordPerfect, a wordprocessing package available on the PC local area networks.
Prerequisite: *Introduction to the PC workshop*

DIVERSITY REQUIREMENT

Recently many academic institutions have turned their attention to issues of diversity within our pluralistic society in order to prepare students for responsible citizenship. The composition of the student body and faculty at the University of Massachusetts at Boston reflects the diversity characteristic of the city of Boston, and of the nation as whole. The campus and the College represent a community dedicated to tolerance, and to the understanding and appreciation of individual and group differences. In order to foster this commitment the University has instituted a curricular requirement of courses dealing with a variety of human diversities, ranging from race, gender, class, sexual orientation, to culture (including national origin, ethnicity, and religion), age, and disability.

The CAS diversity requirement will apply to all students in the College. The College requirement consists of two courses, one with a focus on diversity within the US, and one with an international focus. Students who enter UMass-Boston with fewer than 60 credits are required to take one course from each of the above categories. Students matriculating with 60 or more credits must take at least one course from either of the two categories.

The requirement is being implemented in two steps. It applies to all first year students who are admitted to UMass-Boston in Fall, 1992 or Spring 1993 without any transfer credits. It will apply to all students, including transfer students, admitted as of Fall, 1993 and after.

The following courses offered in Spring, 1994 satisfy the diversity requirement. For a full list of courses satisfying the requirement contact the University Advising Center.

Courses with a US focus

Sociology C240 Self in Society
Sociology 382 Social Psychology of Sex Roles
Women's Studies C100 Women and Society
Women's Studies 270 Native American Women

GRADUATE ADMISSIONS AND RECORDS

GRADUATE STUDENT REGISTRATION INFORMATION

Continuing Matriculated Students

All students who are eligible to register for the Spring 1994 will receive an Invitation to Register in the mail along with a telephone registration work sheet. If you do not receive an invitation in the mail, you should go to the Office of Graduate Admissions & Records for information.

New Matriculated Students

You will receive information from your graduate program concerning registration, or you may contact your Graduate Program Director/Advisor.

Non-Matriculated Students

January 27, 1994 - February 4, 1994

Please contact the graduate program in which you want to take a course. You must fill out a Graduate Non-Degree Registration form and have it signed by the Graduate Program Director or Program Advisor. The form must be submitted to the Office of Graduate Admissions and Records with full payment to complete your registration. The deadline for submitting the registration form is Friday, February 4, at 5:00 p.m.

Please note: Payment may be made using VISA or MASTERCARD at the cashier windows in the Bursar's Office.

Important Reminder

You are financially responsible for any course for which you register unless the course is dropped by February 4, 1994. If you plan to drop a course, please do so early so someone else can be given your space.

Failure to attend class without officially dropping does **not** remove your financial obligation.

If you owe money for a previous semester or have not turned in the Student Health History and Immunization Report, you will not be allowed to register during add/drop unless your obligation is cleared by Friday, February 4, 1994.

Continuing matriculated students who were not enrolled in courses during the Fall semester 1993 will not be allowed to register if the program fee was not paid by November 29, 1993. Students who did not pay the program fee by November 29 will be required to submit a readmission form with the approval signature of the Graduate Program Director/Advisor and the required fees by January 3, 1994.

EXTENDED DAY SCHEDULE
SPRING 1994

The schedule which appears in the following pages is for the convenience of students taking courses in what we call our "extended day"– the late afternoon and evening hours. The majority of these courses begin at 6:00pm (18:00 hours) and meet once a week for two-and-one-half hours Monday through Thursday evenings; the rest meet twice a week for one hour and fifteen minutes.

Programs Available in the Evening

Many of the University's more than sixty degree programs are represented by extended day courses. In some programs, students can complete all degree requirements through evening study alone–that is, by taking courses scheduled after 5:00pm. These programs are:

Undergraduate		Graduate	
Computer Science	Management	American Civilization	Human Services
Economics	Political Science	Bilingual/ESL Studies	Instructional Design
English	Psychology	Business Admin	Public Affairs
History	Sociology	Chemistry	Applied Sociology
		Computer Science	School Psychology
		Counselor Training	Special Education

Advising and Registration for Spring 1994
November 29-December 3, 1993

College of Arts and Sciences (undeclared majors)
College of Management

Advising and registration forms will be available in the University Advising Center, McCormack Hall, 3rd floor, room 625, telephone 287-5500 during the following hours: Monday through Thursday, 8:30am-6:00pm; Friday 8:30am-5:00pm

Declared majors in the College of Arts and Sciences should obtain advising and registration forms from their academic department.

College of Nursing

Advising and registration forms will be available from Professor Myron Segelman in the College of Nursing, Science Building, 2nd floor, telephone 287-7500 during the following hours: Monday through Friday, 9:00am-5:00pm

Graduate Programs

Matriculated graduate students should contact their graduate program directors for advising and registration materials.

DIVISION OF CONTINUING EDUCATION

Evening Courses Off-Campus
Saturday Courses On-Campus

The University courses which appear on the following pages are offered during the evening at off-campus locations and on Saturday mornings at the Harbor Campus. Most classes meet once a week for two and one-half hours. These courses are open to all UMass Boston students and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, and Saturday classes during any semester.

Registration

To register for an off-campus or Saturday course, you must fill out a continuing education registration form at the Office of the Division of Continuing Education (Wheatley 2/203). The office is open from 8:30am to 6:00pm Monday through Thursday and from 9:00am to 4:00pm on Friday. Continuing Education course fees are computed at the rate of $105 per undergraduate credit and are separate from on-campus tuition charges. Students registering for off-campus or Saturday classes also pay $30 in registration and service fees but do not pay health, athletics, or activities fees. Full payment is required at the time of registration. The Division of Continuing Education accepts MasterCard, VISA, and Discover for the payment of off-campus and Saturday course fees.

PARKING REGULATIONS

THE UNIVERSITY OF MASSACHUSETTS AT BOSTON

General — No person shall allow or permit any vehicle registered in his/her name or under his/her control to park or stand on any street or other area of the campus or other lands of the University in violation of these Rules and Regulations. No vehicle may be parked in any area of the campus not intended for such parking, the person in whose name a motor vehicle is registered will be held responsible for all parking violations.

On the Harbor Campus, parking is restricted to the parking garages and connecting parking lot. Payment for parking shall be made upon exit from the garage.

There are no University parking areas for the Park Square Campus.

Motor vehicles parked in these areas shall be kept only within the clearly designated parking spaces.

Motor vehicles with evidence of non-use, left in parking areas, streets or other University property for fourteen (14) days or more shall be towed away under the direction of the Director of Public Safety or any University Police Officer, and the owner of the vehicle so towed away shall be liable for the cost of such removal and storage and shall also be subject to the penalties provided in Chapter 90, Section 22B, of the General Laws of the Commonwealth. The owner will also be held responsible for the care and protection of, or damage to, any such motor vehicle and its contents.

Operation of Vehicles on Campus

Speed limit — A) All vehicles will be operated at all times at a speed that is reasonable and proper. B) At no time will a speed on any campus roadway in excess of twenty-five (25) miles per hour be considered reasonable and proper, except as otherwise posted or for vehicles engaged in emergency response. C) At no time shall a vehicle be operated within any campus parking area, or garage or area within which buses are engaged in loading or unloading passengers, at a speed in excess of five (5) miles per hour unless otherwise posted.

Disturbance — No vehicle may be operated so as to cause undue noise or disturbance.

Operating conditions of vehicles — Vehicles parked on any University property must be kept in such conditions of mechanical repair that they can be removed at any time under their own power.

Loading and discharging of passengers — Loading or discharging of passengers is permissible only when a vehicle is at a complete stop at the edge or curb of a travelled way or within a safety or service zone expressly approved for this purpose by appropriate signs and/or instructions.

Eligibility — Permission to operate a vehicle on the campus or other lands of the University is a discretionary privilege bestowed by the Board of Trustees of the University and such privilege may be denied, revoked, suspended or modified by the action of the Trustees or by the officers of the University herein authorized to take such actions under Chapter 15A, Section 13 or Chapter 75, Section 32A of the General Laws.

Any person may operate a vehicle on the campus, provided that person is otherwise eligible to operate vehicles upon the public highways of the Commonwealth. Said vehicles shall be operated and parked in appropriately designated parking places on campus. Vehicles may not be operated on campus unless all outstanding University parking fines and fees have been paid; parking privileges will be revoked, denied, suspended or modified for failure to pay current unpaid University parking fines and fees and such vehicles shall be towed away.

Liability coverage — No vehicle may be operated on the campus or other lands of the University unless the vehicle has met the Motor Vehicle Liability Policy or Bond requirements for the operation and use of motor vehicles upon the ways of the Commonwealth.

Non-resident students — A student's motor vehicle bearing other than Massachusetts registration plates must also be registered with the Massachusetts Registry of Motor Vehicles under the provisions of Chapter 90, Section 3 of the General Laws of the Commonwealth or will be subject to the described penalties. The necessary forms for registration will be available at the University's Department of Public Safety Office.

Limits of liability — The University shall not assume responsibility for any motor vehicle or parts thereof, or its contents while parked or being operated on University property. The registered owner assumes all risk of accident, and the University of Massachusetts shall not be liable for resulting injury to person or loss or damage to property.

Reporting of accidents — All accidents involving motor vehicles which occur on University property shall be immediately reported to the Department of Public Safety Office. This report is in addition to the notification to the Registry of Motor Vehicles of the Commonwealth as required by statute.

No Wild, No Wildlife.

Polar bears, musk-ox, grizzlies, caribou — more animals than you'd find in Yellowstone — can be found on the magnificent coastal plain of the Arctic Refuge in Alaska. Unfortunately, this portion of our last arctic wilderness has caught the eye of the oil industry. Right now Congress is considering proposals that would allow the oil companies to drill there, even though reports indicate there's less than a one-in-five chance oil would be found.

If we allowed drilling in the region, we would jeopardize the culture of the native Alaskans and untold wildlife, including a herd of 180,000 caribou. Our last arctic wilderness would be despoiled.

The Sierra Club works to save wildlife by saving the wilderness. We have a history of victories. And we believe with your help, this arctic wilderness will remain an invaluable refuge.

Actually, some of the people who pass him by are colder than he is. To them, he's just another homeless man. Which, to them, means he's something less than a man.

Where do you go when your world is this cold, this cruel?

He got help at the Salvation Army. They got help from the United Way. Thank God the United Way got help from you.

You helped provide a hot bowl of soup, a warm coat and a kind word for a homeless man. A man who simply wants to be treated like a human being.

WHAT KIND OF A GUY WOULD JUST STAND THERE WHILE HIS BEST FRIEND STOPPED BREATHING?

A guy who doesn't know CPR. The sad fact is, more people know how to jump-start a car than know how to save a life.

LEARN HOW TO JUMPSTART A LIFE. LEARN RED CROSS CPR.

American
Red Cross

It now lasts up to five years longer.

Americans live longer nowadays. Up to five years longer, says one study, than in 1970. One reason is that people know more about reducing their risk of heart disease. And we've helped. This year the AHA will invest more than $70 million in cardiovascular research and organize 2.7 million volunteers to go out and spread the word. GAPS
GRADUATE ADMISSIONS PREPARATION SERVICE

The Affordable Key To Success

As with any test, preparation is the key to success. The Graduate Admissions Preparation Service (GAPS) is the high-quality yet affordable program that can help you **maximize your test score** and get you on your way to the graduate school of your choice.

GAPS courses allow you to **study at your convenience**, at school, at home, at the library, and even on breaks at work. Unlike more expensive programs, which require you to attend classes, with GAPS you are in command of when you study. You are more relaxed and more receptive. As a result, you'll be more likely to retain vital test preparation information.

Direct Access To The Experts

GAPS courses are a combination of cassette tapes and text. Our courses combine solid academic preparation with test-taking strategies to maximize your score. The lecture tapes give you direct access to professional instructors working under the guidance of educational testing experts. Courses are sectioned into segments so you can **move at your own pace**, progressing one step at a time. Every test segment is explained by an expert in a particular discipline. You'll listen to the lecture tapes and follow the printed materials that develop and apply the information in a problem-solving format. Because lectures are taped, difficult or unfamiliar information may be reviewed immediately, without note taking.

GAPS courses give you the competitive edge needed to succeed—because they work. Don't delay, order your GAPS course today!
